

Avery Dennison, video package, 6" x 9" white envelope, 2.875" x 4" white label— October 16, 2006

This option is based on the estimate supplied on October 9, 2006, and would contain a 6" x 9" outer white envelope (printed in two color), a 4" x 2.875" white label (printed in black), an 8.5" x 11" letter (photocopied in black) and the CD-ROM/DVD mounted into a translucent clamshell package.

Please note that additional costs will apply in excess of the initial estimate for printing of the outer envelope in two color.

These layouts have NOT yet been processed for approval through print production sources or the United States Postal Service.
